1800S ITALIAN WALNUT BEDSIDE CABINETS WITH GILTWOOD TWISTED ROPE MOTIF, PAIR

$14,400

A pair of Italian walnut bedside cabinets from circa 1800 with single drawer and single door, carved giltwood twisted rope motif and carved feet. Discover an air of timeless elegance with this pair of 19th-century Italian walnut bedside cabinets, a beautiful statement piece that effortlessly exudes charm and history. Carved from walnut, each cabinet showcases an elegant design, accentuated by a stylish rectangular top and curvaceous upper section. The standout feature is their intricate hand-carved giltwood twisted rope motif. Masterfully enclosing the door, this elegant detail encapsulates the craftsmanship of the era and contributes a striking visual accent. Behind the framed door lies a green wallpaper-lined interior, creating a surprising and pleasing contrast with the warm walnut exterior. Resting on carved feet, these cabinets serve as a perfect balance of function and style. The single drawer and door design provide ample storage, whilst the compact form and rich wood tones bring a sense of coziness to any bedroom setting. The use of the giltwood rope motif infuses the cabinets with an added touch of glamour, making these pieces a worthy addition to any sophisticated home setting.
