1920S ASIAN CAMPHOR WOOD BOX WITH TRADITIONAL LOCKSET AND LATERAL HANDLES

$4,500

An Asian camphor wood box from the early 20th century, with traditional lockset on medallion and lateral handles. This Asian camphor trunk features a clean, rectangular shape, simply accented with metal hardware and dark dovetails on the side panels. The top lifts up to reveal a convenient storage area, and closes thanks to a dark metal traditional Asian lockset sitting on a medallion. The box can be moved thanks to the lateral C-scroll brass handles. With its linear shape and warm patina, this Asian camphor box, circa 1920, will bring an exotic touch in any room, whether used as a coffee table or to store documents or linens.
