1920S WHITE PORCELAIN ASIAN VASES WITH GEOMETRIC DÉCOR MADE INTO TABLE LAMPS

$2,450

A pair of white porcelain vases with pierced geometric décor from circa 1920 made into table lamps wired for the USA and mounted on circular gilded wood bases. Delighting us with their elegant simplicity, this pair of white porcelain vases from circa 1920 has been skillfully transformed into table lamps, wired for the USA. Each lamp rests on a circular gilded wood base, enhancing the timeless appeal of the porcelain. The vases feature a beautifully pierced geometric décor, adding a touch of intricate craftsmanship to their minimalist design. The pierced geometric patterns create a captivating interplay of light and shadow, offering a visual delight. The white porcelain, contrasted with the gilded bases, exudes a refined sophistication that seamlessly blends with various interior styles, from classic to contemporary. These lamps will make a perfect addition to any home, providing both functionality and a touch of artistic elegance. Placed on bedside tables, they will create a serene ambiance in the bedroom, while positioned on a console or side table in the living room, they will serve as striking accent pieces. Their neutral color palette ensures they complement any décor, making them versatile and stylish choices for various settings. With their exquisite design and practical illumination, these porcelain table lamps will bring a graceful charm and a timeless elegance to any interior space, enhancing the beauty of your home while providing a warm, inviting glow.
