1950S FRENCH VINTAGE SEATED DEER PAINTED SCULPTURE CAST IN RECONSTITUTED STONE

$1,200

A vintage French painted seated deer sculpture cast in reconstituted stone from the mid 20th century. This French painted statue features a quietly seated deer, with its ears and eyes focused on a scene invisible to us. While the pose is relaxed, the facial expression is alert, demonstrating that the deer could jump on its feet at any moment. The beautifully weathered patina witnesses the outdoors life of this sculpture. Placed anywhere in a home, indoors or outdoors, this French 1950s painted deer will bring a charming touch to any décor.
