1950S MIDCENTURY ITALIAN BRASS SIDE TABLE WITH ROUND GLASS TOP

$5,500

An Italian Midcentury brass side table from circa 1950 with circular glass top. Indulge in the elegance of the 1950s with this Italian Midcentury brass side table, a manifestation of timeless design and suave style. Merging the functionality of a modern piece with the classic appeal of the mid-20th century, this table is an asset to any contemporary interior design. The circular glass top highlights its minimalist design philosophy while enhancing its refined appearance. An ideal stage for displaying decor, the glass surface is practical, easy to clean, and adds a touch of sophistication. The true charm of this midcentury side table lies in its brass framework. Radiating a warm golden hue, the brass construction exudes a retro feel that complements various color schemes and styles. Four straight legs, skillfully connected by two levels of rings, grant the table stability and a distinctive, symmetrical aesthetic. Sturdy and stylish, this Italian Midcentury side table is more than a functional piece; it's a statement in design. Its retro charm lends it a unique personality, while the circular layout makes it a versatile addition to your living room, study, or bedroom.
