19TH CENTURY ENGLISH OAK DRESSER BASE WITH THREE DRAWERS AND OPEN SHELF

$12,600

An English oak dresser base from the 19th century, featuring a warm, rich patina and classic Georgian-inspired lines. Measuring 66 inches wide by 18 inches deep and 32 inches high, this substantial piece is crafted from solid oak with a well-figured grain, deep coloring, and traditional joinery. The upper section comprises three drawers fitted with brass bail handles and period-style escutcheons, framed by fluted vertical accents that divide the façade.

The scalloped apron adds a decorative note while visually lightening the form, which rests on six baluster-turned legs over a full-length lower shelf—perfect for storage or display. The molded edge top and pegged construction reinforce the piece's age and quality. The back and underside show hand-planed tool marks, confirming its 19th-century origins.

Both functional and decorative, this dresser base would suit a dining room, entry hall, or living space, offering timeless appeal with ample storage. The lower shelf adds visual weight and makes it ideal for a layered, collected interior with English or country house influences.
