19TH CENTURY ENGLISH TRAY ON STAND MAHOGANY SIDE TABLE WITH X-FORM BASE

$2,850

An English tray on stand mahogany side table from the 19th century. This elegant English mahogany side table from the 19th century features a versatile removable tray top, combining functionality with timeless style. Crafted from mahogany, the table showcases a warm patina that highlights the wood's natural grain and depth. The tray, designed with raised edges, sits securely on a refined stand, providing both a practical surface and an attractive decorative element. The stand's slender, tapered legs are delicately joined by cross stretchers, adding stability while maintaining a light and airy profile. Perfect for various uses, this tray on stand side table is an ideal addition to any home. In a living room, it can serve as a convenient drinks table or display surface for decorative objects. Its removable tray top makes it especially suitable for entertaining, allowing you to easily transport beverages or snacks. Place it beside a sofa or armchair to create an elegant accent while providing a functional spot for books, lamps, or personal items. With its blend of classic design, practicality, and refined craftsmanship, this English mahogany tray table adds both beauty and utility to traditional, eclectic, or modern interiors, making it a versatile piece for any space.
