ANTIQUE DELFT BLUE AND WHITE PORCELAIN VASE MADE INTO MODERN US WIRED TABLE LAMP

$3,995

An early 19th century Delft porcelain vase made into a custom table lamp wired for the USA. This early 19th-century Delft porcelain lamp combines historic charm with modern functionality, creating a unique and versatile lighting option for your home. Originally a Delft vase, the piece has been transformed into a custom lamp, wired for use in the USA, while preserving its timeless character. The hand-painted blue and white design features intricate floral patterns, peacocks and classic motifs, showcasing the artistry and craftsmanship synonymous with Delftware. The base, set atop a custom black octagonal wooden plinth, adds an elegant foundation to this one-of-a-kind lamp. A brass socket and hardware complement the porcelain's delicate hues, ensuring a seamless blend of vintage allure and contemporary practicality. The lamp's rewiring brings it into the modern era, making it a functional piece of history. Perfect as a statement piece, this lamp can anchor a living room side table, elevate a bedroom nightstand, or bring refined character to an entryway console. Its iconic blue and white palette pairs effortlessly with a variety of interior styles, from traditional to transitional and even contemporary. Place it next to a cozy chair to create a reading nook or use it to illuminate a treasured vignette. This Delft porcelain lamp is not only a functional source of light but also a piece of history that brings charm and sophistication to any space. Its timeless design ensures it will remain a treasured accent in your home for years to come.
