APPLE GREEN PORCELAIN VASE MADE INTO TABLE LAMP ON GILT BASE, WIRED FOR THE USA

$1,495

An apple green porcelain vase from Asia made into a single socket table lamp mounted on gilt wood circular base and wired for the USA. This exquisite apple green porcelain vase, transformed into a single socket table lamp, captures the eye with its vibrant hue and elegant silhouette. Mounted on a gilt wood circular base measuring 7" of diameter, this lamp seamlessly blends traditional craftsmanship with modern functionality. The apple green color, both soothing and invigorating, brings a touch of freshness to any space, making it a versatile piece that can enhance a variety of interiors. The lamp is professionally wired for the USA, ensuring that it is ready to be seamlessly integrated into your home's lighting scheme. The rich green glaze of the porcelain is beautifully complemented by the gold tones of the base, creating a harmonious balance that is both luxurious and understated. The single socket design allows for a streamlined look, making the lamp an ideal choice for those who appreciate simplicity with a touch of elegance. This table lamp would make a perfect addition to a living room, where it can be placed on a side table or console, providing a pop of color and a warm, inviting light. In a bedroom, it could be used as a bedside lamp, adding a serene ambiance to the space. Alternatively, it could be positioned in an entryway or hallway, where its striking color and elegant design would make a welcoming statement for guests. With its combination of vibrant color, timeless design, and functional appeal, this apple green porcelain vase lamp will not only illuminate your space but also serve as a beautiful decorative accent that adds character and style to your home. Whether in a traditional or contemporary setting, this lamp is sure to bring a touch of Asian-inspired elegance and sophistication.
