AUSTRIAN BIEDERMEIER 1820S GUÉRIDON SIDE TABLE WITH BURL VENEER AND IRON FRAME

$3,750

An Austrian Biedermeier period guéridon side table with burl veneer and iron base from the early 19th century. This Biedermeier guéridon features a circular top made of burl veneer, accented by a black iron armature. This alternating pattern is reversed in the base on which the table is raised. A central cylindrical shaft is surrounded by four slightly curved supports highlighted with burl veneer on the inside. The ensemble rests on a quadripod base. Its stylish Silhouette, combined with the delicate use of contrasting colors makes this Austrian 1820s side table an excellent choice for any living room, bedroom or hallway.
