BIEDERMEIER 19TH CENTURY FLAMED WALNUT PEDESTAL TABLE WITH RADIATING MOTIF

$12,600

A Biedermeier period table from the 19th century with flame walnut circular top adorned with exquisite radiating motif and raised on pedestal base. This exquisite Biedermeier period table, dating back to the 19th century, showcases the era's refined elegance and keen attention to detail. The table features a striking circular top crafted from flame walnut, renowned for its rich, swirling patterns. This top is further enhanced by a radiating motif that draws the eye inward, accentuated by delicate lighter toned banding and subtle circular designs, lending an air of sophistication and depth. The table is elegantly supported by a pedestal base, distinguished by darker inlaid rings that create a stunning contrast against the lighter hues of the walnut top. This blend of light and dark tones, combined with the table's smooth lines and geometric precision, encapsulates the Biedermeier period's aesthetic of understated luxury and timeless appeal. Ideal for use as a dining table or as an accent piece in a living room or study, this Biedermeier table effortlessly combines functionality with artistry. Its size and beautiful design make it a versatile addition to any home, offering a touch of historical elegance that complements both traditional and modern interiors.
