BLUE COBALT 19TH CENTURY FRENCH VASE MADE INTO A TABLE LAMP ON LUCITE

$2,700

A French cobalt blue porcelain vase from the 19th century mounted into a table lamp with gilded foliage décor and custom lucite base. This exquisite 19th-century French cobalt blue porcelain vase, lovingly transformed into a table lamp, effortlessly marries history and function. Its rich, deep blue hue serves as a striking backdrop for the intricate gilded foliage decor, a testament to the craftsmanship of its era. The custom lucite base not only provides stability but also introduces a modern touch to this classic piece. With a single socket, it's as functional as it is beautiful, allowing you to cast a warm, inviting glow in any room. As a table lamp, this creation finds its place in various settings within your home. Its deep color and delicate gilded motifs make it a captivating focal point in your living room, where it can illuminate a cozy reading nook or grace a side table with its radiant presence. In the bedroom, it can serve as an elegant bedside lamp, casting a soft, ambient light perfect for relaxation. This piece effortlessly bridges the gap between classic and contemporary design, making it suitable for a range of interior styles. Whether placed in a traditional setting or a more modern one, this French cobalt blue porcelain table lamp is a statement piece that adds a touch of timeless beauty and sophistication to your home.
