CONTINENTAL 1930S LIFE SIZE BRONZE SCULPTURE OF A DEER STANDING ON ITS FOUR LEGS

$6,750

A Continental life size bronze sculpture depicting a deer, circa 1930. Elevate your outdoor space with the captivating beauty of this Continental life-size bronze sculpture from the 1930s, depicting a majestic deer in all its glory. This sculpture showcases the grace and elegance of the deer, standing tall on its four legs. Crafted with incredible finesse and attention to detail, this bronze sculpture captures the essence of the deer's natural form. From the carefully sculpted ears pulled back in alertness to the gentle and sweet expression on its face, every aspect is meticulously rendered. The artist skillfully portrays the muscles and contours of the deer's body, striking a perfect balance between realism and artistic interpretation.

This life-size bronze deer sculpture is a testament to the artist's talent and mastery of their craft. It is a captivating piece that will undoubtedly become a focal point in any outdoor setting, whether it's a garden, park, or estate. Bring the enchanting presence of this Continental life-size bronze deer sculpture to your outdoor sanctuary, and let it become a cherished centerpiece that mesmerizes and captivates all who behold it.
