ENGLISH 1820S GEORGIAN BOOK REVOLVING TROLLEY ON CASTERS WITH SUEDE LINING

$6,595

An English Georgian period mahogany tiered book revolving trolley on casters from the early 19th century, with suede lining, banding and tripod base. Born during the first quarter of the 19th century, this English circular book trolley features a three-tiered mahogany structure, accented with a delicate banded inlay. Each shelf is lined with suede fabric and shows a lovely gradation in size that gently leads the eye to the upper section topped with a circular motif. The trolley is raised on a tripod base with scrolling feet, adorned with brass casters that allow the piece to be moved easily. With its beautiful mahogany grain and delicate décor, this revolving book trolley circa 1820 will bring a touch of British elegance to any home, particularly in a living room.
