ENGLISH 1880S FAUX-BAMBOO DESK WITH COPPER HUED LEATHER TOP AND FIVE DRAWERS

$7,200

An English faux bamboo desk from the late 19th century, with copper leather top and five drawers. Created in England during the later years of the 19th century, this desk features a rectangular top with copper colored leather inset, resting above five drawers (a long one in the center flanked with two smaller ones on each side). The desk is raised on four faux-bamboo legs echoing the drawers thin frames. With its clean lines and lovely patina, this English faux-bamboo five-drawer desk circa 1880 will bring a touch of relaxed elegance to any office or living room.
