ENGLISH 1880S OIL ON BOARD PAINTING DEPICTING A HUNTING SCENE, IN ANTIQUE FRAME

$4,500

An English oil on board painting from the late 19th century depicting a hunting scene and set in antique frame. Created in England during the last quarter of the 19th century, this oil on board painting depicts a hunting scene. Our eye is immediately drawn to the riders' red coats and is lead thanks to the diagonal created by the horses and hounds, throughout the composition. Perfectly balanced between the blue overcast sky and green rocky hill, this English circa 1880 oil on board painting showcases an antique frame with Austrian label in the back. An elegant and traditional addition to any wall!
