ENGLISH 1900S BAMBOO CABINET WITH FAUX BOOKS FAÇADE AND SPLAYING LEGS

$7,200

An English bamboo cabinet from the early 20th century, with faux books façade. Created in England during the early years of the 20th century, this cabinet features a bamboo structure surrounding two doors adorned with a handsome faux book décor. These doors open thanks to petite brass pulls to reveal a series of shelves offering convenient storage opportunities. Raised on splaying legs and accented with a Chinese-influenced motif on its upper rail, this English bamboo cabinet circa 1900 will bring an exotic touch to any home.
