ENGLISH 1908 OIL ON CANVAS STILL-LIFE PAINTING SET INSIDE A GILTWOOD FRAME

$5,500

An English oil on canvas still-life painting from the early 20th century, by Elinor Jones and set inside a giltwood frame. Born in the first decade of the 20th century, this lovely still-life painting depicts an arrangement of fruits painted on a dark background. Bananas, oranges and apples, surround a coconut cut in half, a dark blue gadrooned vase and pale flowers accenting the rest of the composition, while a few hazelnuts create a perfect conclusion to the ensemble. Signed and dated 1908 in the lower right, the painting is set inside a simple yet elegant giltwood frame, making it a great decorative accent for any room, where it will enliven the wall beautifully.
