ENGLISH 1920S QUEEN ANNE STYLE SIDE CHAIR WITH PAINTED BIRDS, TREES AND FLOWERS

$1,800

An English Queen Anne style side chair from the early 20th century, with painted bird and flower motifs. Created in England during the first quarter of the 20th century, this Queen Anne style side chair charms us with its sinuous lines and painted décor. White birds are flying around small trees and flowers, or simply standing on the ground. The chair has been reupholstered with a neutral toned fabric complimenting the structure's golden tones beautifully. Raised on cabriole legs connected to one another through a turned cross stretcher, this English Queen Anne style side chair circa 1920 will be a lovely addition to any bedroom or living room.
