ENGLISH 19TH CENTURY CARVED WOODEN FRAGMENTS MADE INTO US-WIRED TABLE LAMPS

$2,250

A pair of English carved wooden fragments from the 19th century made into table lamps wired for the USA. Embrace the timeless elegance of this pair of English carved wooden fragments from the 19th century, transformed into captivating table lamps wired for the USA. Their natural finish, intricate foliage carvings, and gilded circular bases will add a touch of refined sophistication to any space. Adorned with delicate foliage carvings, the lamps' bellies exude a sense of artistry and craftsmanship. The intricate details, reminiscent of traditional English woodwork, add a touch of visual interest and enhance the lamps' overall aesthetic. Raised on gilded circular bases, the lamps exude a touch of elegance and refinement. The gleaming gold finish complements the warm hues of the wood, creating a harmonious contrast that elevates the lamps' overall presence. With their versatile design and timeless appeal, these English carved wooden fragments made into table lamps can seamlessly integrate into various settings in your home. In a living room, they can serve as captivating focal points, adding a touch of antique charm to a mantelpiece or console table. In a bedroom, they can grace nightstands, providing a warm and inviting ambiance for nighttime reading or relaxation. Or, in an entryway, they can welcome guests with their unique presence and cast a warm glow that enhances the space's ambiance.
