ENGLISH 19TH CENTURY OAK COFFEE TABLE WITH SINGLE DRAWER AND TURNED BASE

$3,600

An English oak coffee table from the 19th century with single drawer, wooden pulls and turned base. Created in England during the 19th century, this oak coffee table features a rectangular planked top sitting above a single drawer, grooved for the runner and opening thanks to two turned wooden pulls. The table is raised on an eye-catching base made of four turned legs with rectangular block joints and bun feet, connected to one another through an H-Form cross stretcher. Boasting a nicely weathered patina revealing its age and use, this English oak coffee table with single drawer and turned base from the 19th century will bring a touch of subtle elegance to any home, placed in a living room or under a covered patio!
