ENGLISH 19TH CENTURY OAK SIDEBOARD WITH GEOMETRIC FRONT AND THREE DRAWERS

$14,500

An English oak sideboard from the 19th century with geometric front and turned baluster legs. Enthrall your living space with the charm and regal allure of this 19th-century English oak sideboard, an emblem of craftsmanship and tradition. Cradled by the warmth of oak's enchanting hues, the sideboard's rectangular planked top serenades the beholder with the whispers of yesteryears. One cannot overlook the geometric symphony dancing across the façade. It houses three drawers, each meticulously carved with geometric motifs that tell tales of hands guided by unwavering passion. The central drawer is graced by dual octagonal motifs, while the flanking ones boast twin cross motifs, evoking a sense of rhythm and balance. Each drawer is fitted with brass teardrop pulls that marry functionality with grace. The subtle gleam of the brass against the sumptuous oak creates a tantalizing play of textures. The side grooves on these drawers serve as runners, speaking to an era where every detail was thoughtfully curated. A stand-out feature, the turned baluster legs in the front anchor this sideboard with an elegant disposition. They exude the sideboard's stately presence, while the straight legs in the back ensure sturdy support. The sides give a nod to the era's building techniques, showcasing peg construction, rendering authenticity to its construct. While its front and sides are a tableau of artistry, the back retains a more rustic demeanor, like a well-kept secret of the oak itself. Immerse in the convergence of history, artistry, and function with this English oak sideboard. Whether in a classic or contemporary setting, its time-honored beauty and geometric carvings promise to captivate and grace your abode with an heirloom charm.
