ENGLISH 19TH CENTURY THREE-LIGHT BRONZE LANTERN WITH GLASS PANELS, USA WIRED

$7,500

An English bronze three-light lantern from the 19th century with glass panels and arching accents. This exquisite English bronze three-light lantern from the 19th century exudes timeless elegance and masterful craftsmanship. Encased in five clear glass panels, the lantern provides an unobstructed view of the three central lights, creating a warm and inviting glow. The bronze frame is adorned with graceful arching accents that add a touch of sophistication and classical charm to the piece. Professionally rewired for the USA, this lantern seamlessly blends historical beauty with modern functionality. The detailing of the bronze frame highlights the artisan's skill, while the glass panels reflect light beautifully, enhancing the overall luminosity of the lantern. Perfect for a variety of settings, this 19th-century lantern can be suspended in an entryway to create a grand and welcoming atmosphere, or placed in a dining room to provide elegant illumination for gatherings. Its timeless design also makes it suitable for a living room or covered patio, where it can add a touch of vintage charm and refined style. Whether used as a functional lighting fixture or a decorative centerpiece, this English bronze lantern will bring a touch of historical elegance and sophisticated ambiance to any home. Its blend of exquisite craftsmanship, classical design, and modern practicality ensures it will be a cherished addition to your interior decor, enhancing your space with its unique charm and radiant beauty. The measurements mentioned are without the chain.
