ENGLISH COUNTRY PINE CHAIR CIRCA 1800 WITH SCROLLED ARMS AND LIFT-TOP SEAT

$2,850

An English country pine chair from the early 19th century, with pierced back, scrolled arms and lift-top seat. This rustic country armchair features a simple pierced back, adorned with hourglass-shaped motifs. Two elegant scrolled arms connect the back to the rectangular seat. This boxed seat opens to reveal a compartment, ideal to store various items. The grand simplicity of the lines, combined to a beautifully weathered appearance, will allow this English pine chair, circa 1800 to bring a touch of authenticity to any home, whether placed in a mud room or living room.
