ENGLISH GEORGIAN PERIOD 18TH CENTURY OAK SIDE TABLE WITH CARVED APRON AND DRAWER

$4,500

An English Georgian period oak side table from the 18th century with single drawer, carved apron and brass Chippendale style hardware. Born in England during the 18th century, this exquisite Georgian period oak side table features a single drawer adorned with brass Chippendale style hardware, adding a touch of classical sophistication and functionality. The drawer provides convenient storage while maintaining the table's clean and elegant lines. The apron is delicately carved, showcasing intricate detailing that enhances its overall aesthetic appeal. The table stands on straight legs, connected on three sides by side stretchers, ensuring both stability and a balanced design. The rich oak wood has developed a beautiful patina over the centuries, adding depth and character to the piece. Ideal for use as a small writing table or as a charming side table in a living room, bedroom, or hallway, this Georgian oak table brings a touch of historical elegance to any interior. Its combination of practical design and decorative artistry makes it a versatile and cherished addition to any home. The harmonious blend of the carved apron, straight legs, and brass hardware celebrates the rich heritage of Georgian furniture design. With its refined proportions, beautiful oak patina, and intricate detailing, this 18th-century side table is a testament to the enduring beauty and utility of period craftsmanship. Its timeless design ensures it will be a cherished addition to any sophisticated interior, offering both aesthetic beauty and practical functionality.
