ENGLISH MIDCENTURY FOUR-LIGHT LANTERN WITH SILVER COLOR AND PETITE SPHERES

$5,500

An English Midcentury metal four-light lantern with silver color, scrolling accents and glass panels. Introduce an elegant statement to your interiors with this English Midcentury metal four-light lantern. Crafted circa mid-20th century, this lantern boasts a captivating harmony of form and function, a testament to the refined craftsmanship of the period. The lantern is designed with a linear metal frame, beautifully punctuated with petite spheres at both the top and bottom. Its silver color emanates a cool, understated elegance. The framework houses clear glass panels, simultaneously protecting the light sources and amplifying the illumination for a warm, inviting ambiance. Within, a ring formation provides the foundation for four bobèches and candle sleeves. This design detail not only enhances the aesthetic appeal but also ensures an evenly spread, ambient glow, perfect for creating an intimate atmosphere. The lantern is crowned with scrolling accents, lending a graceful nod to traditional design elements. While the lantern has a vintage charm, it has been professionally rewired to meet modern US standards, offering you an exquisite blend of old-world aesthetics and contemporary functionality. This English Midcentury four-light lantern is an ideal addition for those looking to illuminate their spaces with a piece that blends style, history, and practicality. Whether hung in a hallway, a dining room, or an entrance, it is sure to add a touch of classic sophistication to any setting.
