ENGLISH MIDCENTURY NICKEL LIGHT FIXTURE WITH THREE ARMS AND GLASS BELL

$1,800

An English nickel and glass bell light fixture from the Midcentury period, with cluster of three arms. Discover the timeless elegance of this English Midcentury bell light fixture, a stunning piece that masterfully combines nickel and glass to create a lighting experience like no other. The fixture features a captivating bell-shaped glass shade, meticulously crafted to perfection, that houses a cluster of three gracefully arranged arms within. The sleek nickel accents provides a striking contrast to the translucent beauty of the glass, resulting in a harmonious balance of materials that is both visually appealing and enduring. The bell shape not only adds an element of sophistication but also ensures an even distribution of light, casting a warm and inviting glow throughout the space. Professionally rewired for the USA, this light fixture is ready to grace your home with its presence, ensuring reliability and functionality alongside its aesthetic appeal. Its versatile design makes it a perfect fit for a variety of settings, from a chic modern living room to a cozy bedroom, adding a touch of Midcentury charm and sophistication. Whether it's making a statement in your entryway, adding a layer of warmth to your kitchen area, or creating a focal point in your living room, this English nickel and glass bell light fixture is a piece that commands attention and admiration.
