# ENGLISH MIDCENTURY PETITE UPHOLSTERED BENCH WITH SABER LEGS AND SCROLLED ARMS

## $2,950

An English Mid-Century Modern small size bench with out-scrolled arms and saber legs. This English bench from the 1950s captures the attention with its sleek lines and simple upholstery. The out-scrolled arms are placed in perfect continuity of the saber legs, creating a crescent shape on both sides. Upholstered in a muslin with single welt, the bench is raised on four saber legs with a slight lime looking wash. With its lovely Silhouette and cute proportions, this English bench is the perfect accent for any home, perhaps placed next to a coffee table or under a window.
