ENGLISH OAK 19TH CENTURY GEOMETRIC FRONT DRESSER BASE WITH THREE DRAWERS

$12,600

An English oak geometric front server from the 19th century with three drawers, carved apron and column carved legs. Delve into the rich artistry of 19th-century British craftsmanship with this resplendent English oak geometric front server, which used to be a dresser base. A veritable mosaic of precision and style, the server's façade flaunts a striking geometric pattern that effortlessly becomes the showpiece of any room. Each of the three drawers, endowed with a pair of round wooden pulls that bear a darker patina, offers both aesthetic charm and functional storage. These drawers are hugged by a beautifully carved apron, only enhancing the piece's antiquated allure. A closer look reveals the front legs, masterfully carved into hexagonal columns - a testament to the dedication of yesteryear's artisans. In contrast, the hind legs remain straight, grounding the piece both literally and aesthetically. Though originating from the 19th century, the server seamlessly blends into modern homes, acting as the perfect sideboard in a dining area, or as an exquisite storage solution in a living room or study. Infuse history, artistry, and functionality into your space with this iconic piece of English heritage.
