ENGLISH REGENCY 19TH CENTURY WALNUT TABLE WITH CARVED LION HEADS AND TRIPOD BASE

$13,800

An English Regency period walnut center table from the 19th century, with round top, carved lion heads, tripod base and in-curving shelves. Created in England during the 19th century, this center table showcases the stylistic characteristics of the Regency period. The table features a circular top sitting above an elegant apron adorned with carved lion heads. Their peaceful faces are depicted with great finesse, particularly visible on the curly mane. The table is raised on a tripod base made of three gracefully curving legs resting on a low tripartite in-curving shelf, echoed by a smaller one placed a little higher. Mounted on petite flat feet, this English Regency period walnut center table from the 19th century will make for a great focal point in any home, particularly placed in a living room or foyer.
