ENGLISH TURN OF THE CENTURY BLEACHED WOOD BARLEY TWIST BENCH WITH UPHOLSTERY

$5,995

An English Turn of the Century bleached wood bench from circa 1900 with barley twist base and custom upholstery. This exquisite English Turn of the Century bleached wood bench from circa 1900 exudes a timeless elegance and masterful craftsmanship. The bench features custom upholstery in an elegant linen fabric, meticulously secured with a brass nailhead trim that adds a touch of sophistication and durability. The base is a stunning display of intricate barley twist design, with the four legs and the H-form cross stretcher showcasing this classic motif. The barley twist legs are complemented by square block joints, each carved with delicate rosettes, adding an extra layer of detail and refinement. At the center of the cross stretcher, a carved finial serves as a focal point, enhancing the bench's overall aesthetic appeal. The bleached wood finish gives the piece a light and airy feel, perfect for complementing a variety of interior styles, from traditional to contemporary. This versatile bench can be placed in an entryway, living room, or bedroom, where it will serve as both a functional seating option and a striking decorative accent. Its blend of elegant design and practical functionality ensures it will be a cherished addition to any home.
