ENGLISH TURN OF THE CENTURY OAK BARREL WITH BRASS BRACES, CIRCA 1900

$1,500

A rustic English turn of the century oak barrel from the early 20th century, with brass braces, and ring handles. Created in England during the Turn of the Century which saw the transition between the 19th to the 20th century, this barrel features a sturdy oak body made vertical slats contrasted by the golden tones of the horizontal brass braces that accentuate the piece. Two thick lateral brass handles allow the piece to be moved more easily. With its nice proportions and complimenting colors, this rustic English oak and brass barrel circa 1900 will be an excellent decorative accent in any home, perhaps used as an umbrella stand or a planter on a patio.
