ENGLISH TURN OF THE CENTURY WALNUT BARLEY TWIST FLOOR LAMP WITH TWO LIGHTS

$3,750

An English Turn of the Century walnut barley twist floor lamp from circa 1900 with two sockets and quadripod base. Born in England around the turn of the century, this walnut barley twist floor lamp features a beautifully turned barley twist shaft, adding a sense of movement and classical charm to the piece. At the bottom, a petite sphere accentuates the design, providing a graceful conclusion to the quadripod base that ensures stability and aesthetic balance. The lamp is equipped with two sockets, offering ample light and versatility for various settings. It has been professionally rewired for the USA, ensuring modern safety standards while preserving its historical integrity. Ideal for adding a touch of historical sophistication to any room, this floor lamp can be a stunning addition to a living room, study, or bedroom. Its rich walnut wood, intricate barley twist design, and elegant quadripod base make it a standout piece that complements both traditional and contemporary interiors. With its elegant proportions, refined detailing, and practical functionality, this English walnut floor lamp from circa 1900 celebrates the enduring beauty of turn-of-the-century design. Its timeless appeal and meticulous craftsmanship ensure it will be a cherished addition to any home, providing both light and a touch of historical elegance.
