ENGLISH VINTAGE COMPOSITION SITTING DOG SCULPTURE WITH GLASS EYES AND RED COLLAR

$1,275

An English vintage composition sitting dog sculpture from the mid-20th century, with glass eyes and red collar. How not to melt in front of this English composition (or possibly terracotta) pug, sitting quietly, his head tilted to the side, his ears slightly folded and pointed forward, looking at us. His glass eyes give him great expression while his red collar provides a lovely contrast with the rest of his coat. Placed anywhere in a home, atop a commode or console table or sitting next to a fireplace, this vintage English pug will bring a comforting presence.
