ENGLISH WOODEN BARREL, COPPER BRACES, ROYAL COAT OF ARMS TRANSFER, CIRCA 1900

$3,750

An English wooden barrel from circa 1900 with copper braces and transfer British Royal Coat of Arms. This charming English wooden barrel from circa 1900 features an oval shape and is adorned with copper braces, adding a warm, rustic touch to its design. The front proudly displays a transfer of the British Royal Coat of Arms, lending it an air of historical significance and elegance. The combination of wood and copper creates a rich patina that highlights the barrel's age and character, making it a unique decorative piece. Perfect for a variety of uses in the home, this versatile barrel would work well as an umbrella stand in an entryway, adding a touch of antique charm and practicality. Its compact oval shape makes it suitable for smaller spaces while still providing ample room for storing umbrellas or walking sticks. In a living room or study, it could be repurposed as a stylish holder for rolled-up maps, architectural plans, or even wrapping paper, adding a quirky yet sophisticated accent. With its blend of rustic appeal, historical interest, and functional versatility, this English wooden barrel offers a unique way to incorporate antique style into modern interiors, making it a perfect addition for those who appreciate character-rich décor pieces. The barrel measures 14"W in the middle.
