FLORAL SHAPED ART DECO 1920S MICA LIGHT FIXTURE, WIRED FOR THE USA

$3,750

An Art Deco period floral-shaped light fixture from circa 1920 with textured finish. This exquisite Art Deco period floral-shaped light fixture from circa 1920 captivates with its elegant and organic design, reminiscent of a daffodil corona. The fixture features a textured finish that adds depth and character, enhancing its visual appeal. The hexagonal opening at the top provides a unique geometric contrast to the soft, flowing lines of the floral shape, exemplifying the Art Deco movement's blend of natural forms and modern geometry. Professionally rewired for the USA, this light fixture combines historical charm with contemporary functionality, ensuring it is ready for immediate use in your home. The intricate details and thoughtful design make it a standout piece that can complement various interior styles, from vintage to modern. Ideal for a variety of settings, this floral-shaped light fixture can be placed in a living room, dining room, or entryway, where it will add a touch of Art Deco elegance and sophistication. Its unique design makes it a perfect focal point, casting a warm and inviting glow while enhancing the aesthetic of the space. The combination of the textured finish and the floral-inspired form ensures this light fixture will bring a sense of timeless beauty and artistic flair to any decor. Its blend of delicate craftsmanship and functional design makes it a cherished addition, enhancing your home with its radiant charm and historical significance.
