FRENCH 1800S LOUIS XV STYLE WALNUT DESK WITH GREEN LEATHER AND LIFTING PANEL

$12,500

A French Louis XV style walnut desk from the early 19th century, with lifting panel, green leather writing surface and cabriole legs. Born in France during the early years of the 19th century, this exquisite desk features a writing area overhanging four cabriole legs connected to one another through a scalloped apron. Fitted with green leather, the upper section also comprises of a cabinet section adorned with a carved panel made of two cartouches surrounding a central medallion, that lifts up to reveal multiple compartments ideal to organize various documents. The lower section presents two small drawers fitted with Rococo style hardware. With its graceful Louis XV lines and lovely walnut patina, this French desk circa 1800 will bring an undeniable touch of style to any home, perhaps showcased in a living room, bedroom or office.
