FRENCH 1892 IRON BALCONY FRAGMENT MADE INTO A COFFEE TABLE WITH GLASS TOP

$4,750

A French iron balcony fragment from the late 19th century, made into a coffee table with glass top. Featuring a French iron fragment dated 1892 on the central cartouche, this coffee table will bring a touch of authenticity to any living room. Topped with custom made rectangular glass and resting on four straight legs connected to one another through an X-form stretcher, the table charms us with its twisted patterns and lovely scrolls revealing the French mastery of metalworking during the Haussmannien years. A wonderful addition to any home!
