FRENCH 1900S LOUIS-PHILIPPE INSPIRED MIRROR WITH FAUX TORTOISE PAINTED FRAME

$1,500

A small French Louis-Philippe style wooden mirror from the early 20th century, with faux tortoise style painted frame and rounded corners in the upper section. Created in France during the Turn of the Century which saw the transition between the 19th to the 20th, this wooden mirror captures our attention with its highly recognizable Louis-Philippe inspired silhouette showcasing rounded corners at the top and its faux tortoise style painted frame. The ensemble boasts a warm brown patina complimenting the pure lines beautifully. The back is simply planked and presents a nicely distressed appearance revealing the piece's age. Showcasing a clear mirror, this small French Louis-Philippe style faux tortoise wall mirror circa 1900 will make for a great addition to any home, perhaps hung above a demilune table, buffet or commode!
