FRENCH 1900S WOODEN MIRROR WITH CARVED TWISTED RIBBONS AND DISTRESSED FINISH

$2,400

A French tall and narrow carved wooden mirror from the early 20th century, with twisted ribbon motifs and distressed patina. Born in France during the Turn of the Century, this slender mirror features a rectangular frame presenting a nicely weathered appearance, adorned with twisted ribbons and egg-and-dart motifs. Surrounding a mirror plate showing some signs of aging, this French mirror circa 1900 charms us with its distressed finish and delicately carved decor, making it a great decorative choice to enliven any wall.
