FRENCH 19TH CENTURY LOUIS XVI WALNUT COMMODE WITH MARQUETRY AND BRASS PULLS

$12,600

A French 19th-century walnut commode in the Louis XVI style, this piece showcases refined craftsmanship with its geometric marquetry, classical proportions, and elegant brass hardware. The linear silhouette is accented by tapered, fluted legs, a hallmark of the Louis XVI aesthetic, lending the piece a sense of lightness. Three generously sized drawers provide ample storage, each adorned with delicate inlay work and brass pulls that enhance the neoclassical influence.

The finely executed marquetry extends to the sides, where a striking star motif adds an element of visual intrigue, possibly hinting at Directoire influences. The rich walnut patina highlights the depth of the wood grain, further emphasizing its quality and craftsmanship. This commode is an ideal addition to both classic and contemporary interiors, offering a balance of historical elegance and functional storage.

Perfect in a bedroom as a sophisticated dresser, in a living room as a statement storage piece, or in a hallway to anchor an entryway, this commode seamlessly integrates into a variety of settings. Its timeless Louis XVI lines and exquisite detailing make it a versatile and investment-worthy antique.
