FRENCH GILTWOOD RECTANGULAR MIRROR WITH TWISTED MOTIFS, CIRCA 1900

$3,500

A French giltwood rectangular mirror from the early 20th century, with twisted motifs. Created in France during the turn of the century, this tall rectangular mirror captures our attention with its golden finish accented with red undertones, perfectly complimenting the twisted effects that adorn the outer frame. Showcasing a mirror plate with nice signs of aging, this French giltwood mirror circa 1900 will enliven any wall beautifully, perhaps hung above a credenza, enfilade or console table.
