FRENCH MIDCENTURY BRASS BENCH WITH SHELL MOTIF AND CUSTOM LINEN UPHOLSTERY

$2,995

A refined French bench from the mid-20th century, featuring cast brass legs with sculptural detailing and freshly upholstered seating. Measuring 42 inches wide by 16.5 inches deep and 20.5 inches high, this elegant piece pairs a classic silhouette with understated opulence, making it well-suited to both traditional and modern interiors.

Each leg is adorned with a stylized shell motif at the knee and ends in a graceful French foot, evoking Louis XV influences with a streamlined midcentury sensibility. The frame has a warm aged patina, offering subtle contrast to the neutral custom-upholstered cushion above. The seat is covered in a textured light beige fabric with a fine weave, adding softness while keeping the focus on the sculptural metalwork below.

Versatile in use and scale, this bench can serve as a vanity seat, hallway accent, or foot-of-bed piece. Its clean lines, delicate ornamentation, and warm brass tones make it a timeless decorative element in refined interiors.
