FRENCH MIDCENTURY GILTWOOD SUNBURST MIRROR WITH RADIATING RAYS AND CARVED FRAME

$2,750

A French vintage giltwood sunburst mirror from the mid-20th century, with rays of slightly varying sizes, carved frame and red undertone. Born in France during the mid-century period, this sunburst mirror features a clear mirror plate surrounded by a foliage-carved inner molding, from which are radiating rays of slightly varying sizes. The result is striking with its lively depiction of a sun that will warm up any room it is placed in. With its nice proportions and lovely décor, this French giltwood sunburst mirror circa 1950 will be a great focal point in any room, perhaps hung above a chest-of-drawers, credenza or console table.
