FRENCH MIDCENTURY LEAD SCULPTURE OF A MONKEY EATING A BANANA WITH AGED PATINA

$4,500

A French lead sculpture from the mid 20th century, depicting a monkey eating a banana. Created in France during the midcentury period, this lead sculpture attracts our attention with its anthropomorphic depiction of a monkey eating a banana. Seated on a shaped base, the monkey is eating a banana, his right hand elegantly resting on his hip in a very human manner. Boasting a nicely weathered patina, this midcentury French monkey lead sculpture will be a great addition to any garden!
