FRENCH NAPOLEON III 1860S WALNUT GUÉRIDON SIDE TABLE WITH RADIATING VENEER

$3,995

A French Napoleon III walnut guéridon side table from the mid-19th century, with radiating veneer, single drawer and lower shelf. Born in France during the Second Empire, this exquisite guéridon table features a circular top, adorned with radiating veneer, sitting above an apron comprising a single dovetailed drawer and fluted motifs. The table is raised on three tapering fluted legs securing a low curving shelf and is resting on brass feet. With its nice proportions and lovely walnut patina, this Napoleon III guéridon table circa 1860 will bring a touch of French elegance to any home, whether placed in a living room, bedroom or hallway.
