FRENCH 18TH CENTURY PINE SIDE TABLE WITH SCALLOPED APRON AND CABRIOLE LEGS

$3,995

This French Louis XV style pine side table from the late 18th century features a single drawer and hoof feet. This hand-carved table is made of a two-plank top, with ogee carved edging. Below the top is a nicely scalloped apron with a single dovetailed drawer in its centre. The entire piece sits on four elegant cabriole legs raised on hoofed feet. With its wonderful patina, this hand-carved French Louis XV style side table, circa 1790 would make a wonderful host for accessories sitting under a mirror or beside a couch or perhaps even in a bedroom.
