$12,600

A French walnut enfilade from the 19th century with white marble top, three drawers over three doors and Doric pilasters. This French walnut enfilade, crowned with a white marble top and featuring three inconspicuous drawers over three doors, is flanked by discreet yet elegant Doric pilasters, making it a testament to the refined aesthetics and craftsmanship of its era. The white marble top provides a luxurious and durable surface, perfect for displaying decorative items or serving dishes.
