FRENCH EMPIRE WALNUT TRAY TOP TABLE WITH DRAWERS, DORIC COLUMNS AND BOTTOM SHELF

$3,995

This French Empire walnut side table features a rectangular tray top over two thin drawers, one in the front and one in the back. To maintain a harmonious symmetry, the artist has ingeniously placed a faux drawer on each side to compliment the real one. Each drawer is decorated with a star-shaped brass pull. The ensemble is raised on four exquisite Doric columns with bronze base and capitals. The base of the columns secures a bottom shelf. Elegant, refined with clean, simple lines, this French walnut tray top table circa 1820 would be a wonderful addition to any room.
