HOLLYWOOD REGENCY PALM TREE WALL TORCHÈRES, DOROTHY DRAPER INSPIRED, US WIRED

$18,000

A pair of Hollywood Regency Dorothy Draper inspired palm tree form wall torchères from the Midcentury, wired for the USA. This striking pair of Hollywood Regency Dorothy Draper inspired wall torchères from the Midcentury period captivates with its palm tree form and creamy off-white finish. Standing tall and elegant, these torchères bring a sense of glamour and whimsy to any space. Each torchère is wired for the USA and features two sockets for Edison-style regular light bulbs, creating a warm and ambient glow. The open tops allow light to radiate softly upward, enhancing the overall allure of the design. Crafted to be placed flat against a wall, these torchères are perfect for accentuating an entryway, living room, or dining area. Their sculptural palm tree form brings a playful yet sophisticated element, making them a true conversation piece. Whether flanking a fireplace or adding a bold touch to a hallway, their unique Hollywood Regency flair is unmistakable. With wiring discreetly exiting from the back, these palm tree torchères provide both style and function, offering the perfect blend of Midcentury charm and timeless elegance. Ideal for those seeking to make a statement, these pieces add a distinctive touch to any interior, evoking the iconic glamor of Dorothy Draper's signature style.
